

# INVITATION

WORLD FISH  
MIGRATION DAY

MAY 21, 2016

FOR PEOPLE WORKING FOR RIVERS AND  
MIGRATORY FISH AROUND THE WORLD

The World Fish Migration Platform invites you to join the second World Fish Migration Day on May 21st, 2016.

Following the overwhelming success of the first World Fish Migration Day in 2014, this international event calls attention to the need to safeguard free flowing rivers and to restore the connections in rivers for migratory fish.

CONNECTING FISH, RIVERS AND PEOPLE
